Manufacturers

The World's *Aerospace Alley!*[®]

TOGETHER. A WORLD OF EXPERTISE.

Future WorkForce Opportunities Fair

Wednesday, November 7, 2018
Connecticut CONVENTION CENTER
Columbus Blvd, Hartford
8:15am-11:30am

ACM is Connecticut's and southwestern Massachusetts' Aerospace Cluster representing small and medium sized aerospace manufacturers. Our membership exceeds 115 companies supporting over 9000 employees.

The goal of this Fair is to make **middle, high school, college students and their teachers, guidance counselors and parents** aware of the broad opportunities available with a career in the local aerospace industry.

You will speak with over 90 local aerospace firms to learn about the valuable career opportunities that exist in the industry and discuss the expectations employers have when hiring new employees.

ACM will provide parking for school buses at for *NO-COST*

Additional information and photos of last year's Fair can be found at the ACM website: www.aerospacecomponents.org
